**Answer: THE BLACK KEYS**

- Step 1: Put a caption on each picture that fits in the associated blanks. Each caption will be a well-known song title with one letter missing. The captions are shown in black on the following pages, with the extra letters needed to make song titles in red.
- Step 2: Read the missing letters in order. They spell the answer, **THE BLACK KEYS**.

*Incidentally, all the songs in this puzzle are from Rolling Stone magazine's list of the "500 Greatest Songs of All Time." You're not expected to know that; it's just an indication that people are generally familiar with the songs.*
