

The End

SOLUTION: **CLOUD ATLAS SHRUGGED**

- Step 1: For each synopsis, identify the fictional book whose title is clued. That title will be a real book title with an additional word added. This new word will make a compound word or phrase with one of the words in the real book title. For instance, one of the answers is **A CLOCKWORK ORANGE JUICE**, which changes the word “orange” in the book *A Clockwork Orange* to the phrase “orange juice”. See the next pages for a list of these answers.
- Step 2: Notice that each real book title is used three times for three different clues. In each case, the same word in that title is changed. When you solve all three clues related in this way, you’ll get one of the letters in the final clue. Put spaces and punctuation in that final clue to make **JOHN GALT ALWAYS HAS A COMET-SHAPED BIRTHMARK**.
- Step 3: Realize that this is a clue for a final book title with an extra word in it, so identify that book to get the answer **CLOUD ATLAS SHRUGGED**. Indeed, there are two ways to see this answer as a book title with an extra word: it’s either **CLOUD ATLAS** with an extra word **SHRUGGED** or **ATLAS SHRUGGED** with an extra word **CLOUD**.
